### **WHAT IS the "Alternate Afternoon" hour ?**

**We wanted to give the kids more choice on how to spend their afternoons, and with so many sports that go on at night, some kids don't want to zap their energy in the sun for our second swim session. For \$25 more per week, your kids can do a more-intense art project, get some advanced help with basketball or soccer skills or join in on one of the other HOURS.**

**Remember, lunch is included in all-day camp! Breakfast is also an option! Make sure to ask about it.**

## **Birthday Bonanza!** July 30-Aug 3

Want birthday party fun every day of the week? This is the camp for you! We will celebrate every camper's birthday while enjoying some old classic birthday games. Winter birthday got ya' down? No worries, your birthday's will be highlighted too, and you even get to swim in the nice heat instead of freezing on your real birthday :)

## **Camp Rewind Week** August 6-10

The KIDS are in charge. They have the say. Campers will pick their favorite activities that they accomplished throughout the summer and have a redo. It is always a great way to wrap up the summer. Your camper will love being in control and telling US what to do. Don't miss it.

## **Preschool Camps (Ages 3 — 6 year olds)**

**NEW Times\*\*\*\* Tuesday and Thursday 8:30-1:00\*\*\*\***

### **FUN-damentals of Sport** June 5 & 7

Does your little one enjoy kicking the ball around, running under a parachute or testing their speed with relay races? From pint-sized punters and dizzy dribblers to homerun hitters, this camp could be the best choice for your athletic wee-one! We cover sportsmanship and teamwork along with learning the VERY basics of athletics and how to fuel our bodies. End the day in the pool, having fun and getting exercise at the same time.

### **Eric Carle and Beyond** June 19 & 21

Very Hungry Caterpillar, Very Tiny Seed, The Grouchy Ladybug...some of our all-time favorite books were written by one author, Eric Carle. Come, as we explore his world of writing and illustrations and do all things "Carle's Way". We will read his books, create fun art projects and spend time in the big gym being spiders and butterflies and bears. We will even make a snack that the kids will find FASCINATING. We end the day in the pool and having our freshly prepared lunch.

### **Chefs in the Kitchen** June 26 & 28

This camp has been a summer favorite for the last thirteen years! Little chefs learn to cook wonderful concoctions and create their own masterpieces. The best part of this camp? The mess stays right here at Prairie Life. Get your little Emerils signed up early!! Maybe they will even create their own lunches during this camp!

### **Great Outdoors** July 10 & 12

What a perfect time of year to be outside, enjoying all that nature has to offer us. We will spend time outdoors, learning about how nature works and all the fun activities we can do outside. Weather isn't cooperating? No worries, we will make in-jar-s'mores, create our very own art campfire and play outdoor field games, indoors! End your day at the pool and enjoy lunch with your new camper friends!

### **Mad Scientists** July 24 & 26

Dissolving solutions, egg floats and geysers are just a few of the science experiments our little Einsteins will attempt during this crazy, fun-filled week. The kids love to get their hands dirty and they learn in the process. A must for any curious ones you have running around your house!

### **Let's Go To the Farm** Aug 7 & 9

What sound does a cow make? What are all the things we grow on farms? What kind of art can we make out of produce? Put on those overalls and join us for a week of animals, crops and hoedowns. We will end the dog days of summer cooling down at our outdoor pool. Lunch included!
